Dear Colleagues and Friends,

We are glad to announce an opening of A Casual Diamond Network Nights Series with elements of charity to support the Charity Fund of the Netherlands Chamber of Commerce in Slovakia in addition to strengthen interactions and communications between different chambers of commerce in Slovakia through building professional connections. Those connections will confidently lead to great opportunities, shared, bilateral and collective projects/investments, but the first step is introducing yourself. Network Nights is where that happens! *Remember, it is not who you know, it is who knows you.*

Thus, welcome to a First networking event from A Casual Diamond Network Nights Series devoted to an upcoming Women's Day. The event will be carried out at Arcadia Hotel, in a library bar. A 6-minute walk from Katedrála svätého Martina, this elegant hotel in a 13th-century building is also an 8-minute walk from the Slovak National Gallery and a 12-minute walk from the Slovak National Museum.

This event is for those who prefer a combination of several enjoyable business activities:

1. After-working-week casual meet & greet, promote & found, plan & scan.
2. Have a coffee, tee, a glass of exclusive wine or Champagne Barons de Rothschild from the Rothschild-family and meet new people.
3. Get an exclusive present(s) for the loved ones (fashionable, exclusive top-quality jewelry), where the part of the investment will be devoted to the charity – 8th of March is almost at your door and **DIAMONDS ARE BETTER THEN CHOCOLATE!**
4. Game of Chance - unexpected raffle winning (gold & stones).

It is welcomed to bring a friend and a raffle prize to promote your business! In this case, please contact Alina Stadnitskaia (ALIST: alina.stadnitskaia@me.com)
