Notification for REGIONAL NETWORKING EVENT IN ŽILINA ON TALENTS

REGIONAL NETWORKING EVENT IN ŽILINA ON TALENTS

Unique newly developed regional event on talent development, labour, education and automotive sector.

This exclusive event offers unique chance to visit a very special production company, opportunity to discuss current issues related to the talent development, education, labour market and automotive sector and to network with companies representatives from the Žilina region.

KIA factory, one of the leading automotive companies in Slovakia located in Teplička nad Váhom, offers very special factory tour.

This will be followed by a conference on challenging talents in Slovakia. The leading topics of the conference are education, development, retention and attracting of talents in industry.

In the panel discussion about talent, how to attract, develop and retain talent we will welcome representatives of Ministry of Education, Žilina Region Administration. University of Žilina, Lúgera and other guests.

Part of the program is quick lunch and dinner reception.

Please find enclosed detailed program, including information on transfer and participation fee.

All our members are invited to invite clients to this special event to enrich the group of participants for networking.

Do not miss the chance and join this extraordinary event with the Netherlands Chamber of Commerce!

THE NUMBER OF PARTICIPANTS IS LIMITED, so we recommend to register as fast as possible, as the rule – first come, first served – will be followed.

Shall you be interested to gain more visibility as partner of this event, please do not hesitate to contact us at director@netherlandschamber.sk.

We are looking forward to meeting you there.
